Deep red rose heart

Advanced cross-stitch on 11 ct x inch canvas

The stitched area of the finished piece is approximately 40 cm x 40 cm

Large colour range which can of course be chosen from any brand. Just use the colour chart as an indication of the colours to use. Here the DMC range has been used.

This is a fairly large piece of work best suited to expert stitchers. The finished piece will work well for scatter cushions or a wall hanging.
